Additional Comments:

Audition Notes: Basically, we need to hear you speak, sing and move on stage. So show off your presence and talents. Singing a Broadway show tune is preferred. Pop music is NOT recommended. You may sing a song from Peter Pan. If you want a role that has solo singing, you will need to audition by yourself. If you wish to be in the ensemble only, you may choose to sing with 2 or 3 other people. Auditioners can sing with a CD or iPod device, using accompaniment-only music (one without the lyrics being sung). A piano accompanists will be provided so feel free to bring sheet music. Songs can be as simple as "Happy Birthday" or "My Country 'tis of Thee." If you are going for a certain character, be that character by using your face, body movements and voice. Please attach a recent photo of yourself. Thank you.
